Doug Mortimer died Tuesday June 5th 2007 after a protracted illness.

Doug was always a light when he attended Bearidise events! He had an infectious good attitude and was almost always cajoling, laughing, or smiling, great attributes for a nurse which was his profession.

Doug at the 1999 Thanksgiving Bearidise party. He was a good piano player!

His typical, good natured smile! Halloween 2001 at Bearidise
